AGENDA ITEM 3 Discussion of City support for building damage

L. Frazier introduced herself as a Maplewood resident, frequent library user, and graduate student. As a part of her studies, she will be working with the Library Board, City Council, and Mayor Knapper to analyze the needs of the Library and find possible solutions. A discussion of the building's issues followed, and Mayor Knapper shared that her primary concern is mold remediation. L. Frazier will look into mold testing and remediation companies and forward the information to A. Bryant. It was decided that options regarding lease negotiations and cost sharing will be discussed after a new City Manager is in place in August.

The meeting adjourned at 8:39pm.

Respectfully submitted by A. Bryant 6/21/2021.
