

Telescope

Contents:

- Orion Starblast Telescope
- Instruction manual
- Eyepiece magnification chart
- Constellations pocket guide
- Headlamp

This item will introduce you to Infinity and Beyond!
Have a look at Lyra, observe Orion, and peer at Perseus.
A special shoutout to the St. Louis Astronomical Society
for helping us keep this telescope in tip-top condition!
Visit their website at slasonline.org for all things
astronomy related! This item may be loaned out to
Maplewood residents for 14 days.
